

# Sustainability Scavenger Hunt

Find the following items around or near your home.

If you are missing an item, it's an opportunity to make your home and community more sustainable!

<input type="checkbox"/> Recycle bin
<input type="checkbox"/> Reusable water bottle
<input type="checkbox"/> Pollinators (like a bee or butterfly!)
<input type="checkbox"/> LED light bulb
<input type="checkbox"/> Compost bin
<input type="checkbox"/> Bicycle
<input type="checkbox"/> Second-hand clothing
<input type="checkbox"/> Vegetable garden or native flower garden
<input type="checkbox"/> Nearest bus or subway stop
<input type="checkbox"/> Electric vehicle charging station
<input type="checkbox"/> ENERGY STAR® appliance

## Why Sustainability?

Ascension has an ambition to change healthcare to have a positive effect on our associates, our patients and the communities that we are privileged to serve.

We are harnessing the power of our 150,000 associates to achieve sustainability.

Join us from home with your loved ones. Together, we can make a difference for our communities.
